About The Leading Hotels of the World

Comprised of more than 400 hotels in over 80 countries, Leading Hotels is a collection of uncommon luxury hotels. Rooted in the locations in which they are found, members embody the very essence of their destination. Through varied styles of architecture and design and distinct cultural experiences enhanced by passionate people, the collection is for the curious traveler looking for their next discovery.

Established in 1928 by several influential and forward-thinking European hoteliers, Leading Hotels has a more than nine-decade-long commitment to providing remarkable, authentic travel experiences. The company selects only hotels that meet its high standards for quality and distinctiveness, resulting in a curated portfolio of hotels united not by what makes them the same, but the details that make them different.
